

BEHAVIORAL HEALTH & CLINICAL SERVICES

Culturally Responsive, Trauma-Informed Mental Health Support

Ada S. McKinley's Behavioral Health & Clinical Services Team serves people of all ages at four Chicago area clinics with a strong focus on providing access and opportunities for youth. Our clinicians and mental health professionals are well-trained and experienced in treating problems caused by emotional distress and/or trauma. We engage the support system of an individual to help create sustainable solutions for maintaining mental health.

REACH OUT FOR HELP

Call the CARES Hotline at 800-345-9049 if you need help. Our Mental Health Mobile Crisis Response Team is available 24-hours a day, 365 days a year to provide emergency mental health services for people who may be experiencing an emotional crisis and/or are homicidal or suicidal. If you have an urgent emergency, please call 911.

Ada S. McKinley's Behavioral Health & Clinical Services Team provides:

- Mobile Crisis Response (24/7/365 within our Designated Service Areas by calling CARES line)
- Youth Crisis Stabilization Unit (Same Day/Next Day Specialized Therapy services provided in a group and individual space for ages 8-17)
- Secondary Response Team (After Crisis Follow up and Case Management Services)
- Outpatient Community Mental Health Services include Therapy Counseling for Children, Adolescents, and Adults. In Person and telehealth (when clinically appropriate)
- Pathways to Success (Wraparound Care Coordination for At Risk Youth)
