## SPONSOR A COLLEGE TRUNK

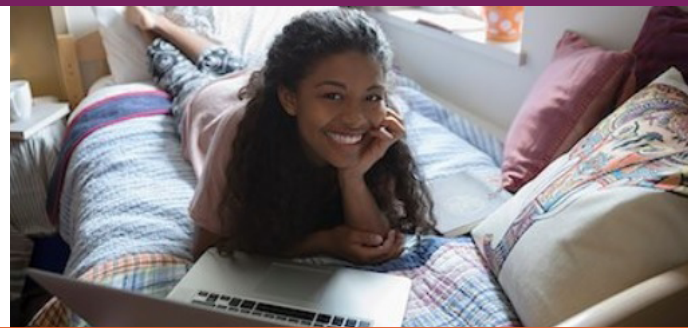

### Revie Sorey Trunk Scholarships

*Our students have prevailed through a pandemic and are college bound!*

**Help equip our high school graduates for college by providing them with the distance learning tools they need to remain safe and academically connected as we emerge from the COVID-19 pandemic.**

### WHAT IT MEANS TO SPONSOR A TRUNK IN 2021

Starting college can be intimidating and overwhelming, and especially so for the hundreds of first-generation students we serve. The restrictions mandated by the COVID-19 pandemic have resulted in colleges/universities offering remote and hybrid learning options for the upcoming academic year. In order to ensure our students remain safe and academically connected, our trunks will again provide distance learning tools for taking full advantage of all education formats and platforms available to them. The students who will be awarded trunks have persevered through unprecedented times. As a 2021 Trunk Scholarship sponsor, you are committing to the success of our scholars in persisting along their path toward obtaining a postsecondary education!
