### WHAT IT MEANS TO SPONSOR A TRUNK IN 2022

It is crucial that students begin their college journey prepared, confident, and focused on making their dream of obtaining a post-secondary education a reality. As a Trunk Sponsor, you will help our students begin their college journey with the living and learning essentials first-year students need to adjust and achieve success in their new environment.

Pursing a post-secondary education can be intimidating and overwhelming, particularly for the hundreds of first-generation students we serve. In addition to all the challenges that come with preparing for college with limited resources, our students began their senior year with apprehension and anxiety about what the future holds amidst the pandemic impact and aftermath. Yet they persevered, showed tremendous resolve, and are on their way to colleges throughout the U.S. this fall!

As done throughout the pandemic, we have added technology tools to our trunks this year for taking full advantage of all education formats and platforms available to students, including virtual and hybrid options. Trunks also include school supplies, other equipment and necessities for dorm living.
